------------------	----------	---	---	----	---	----

It is important that efforts should be made to ensure that your school should get upgraded at least by one grade by the time next accreditation is done. This will mean that you shall need to prepare a action plan and road map for the next 3-5 years accordingly.

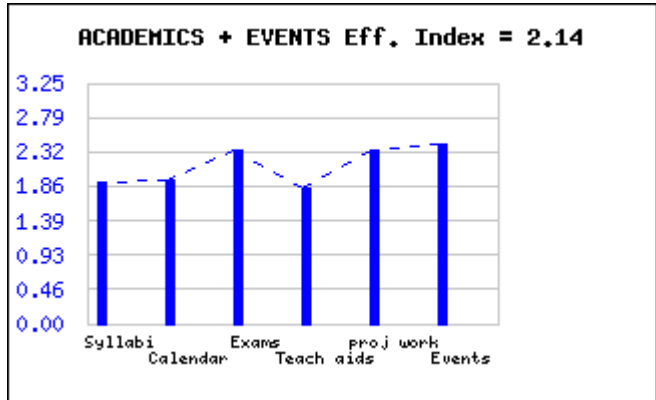

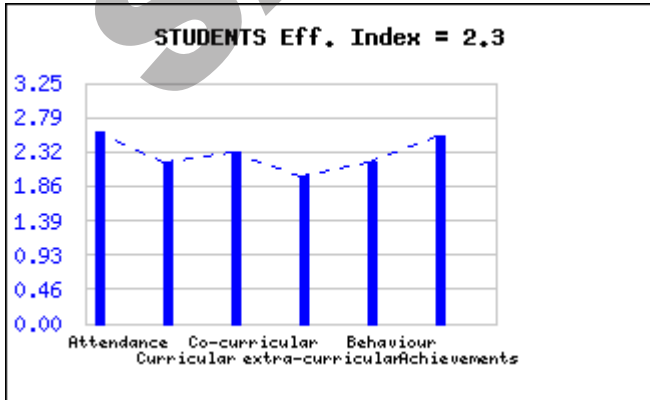

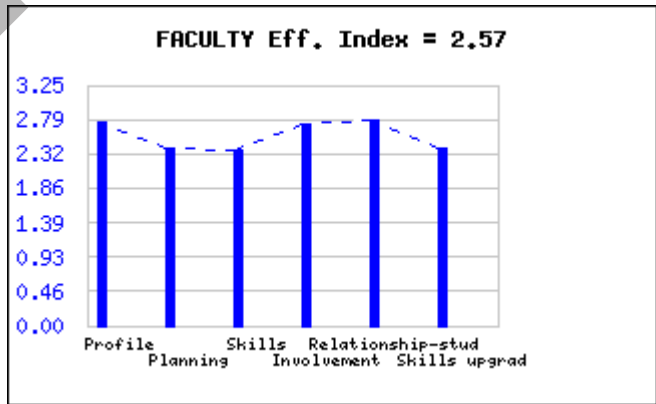

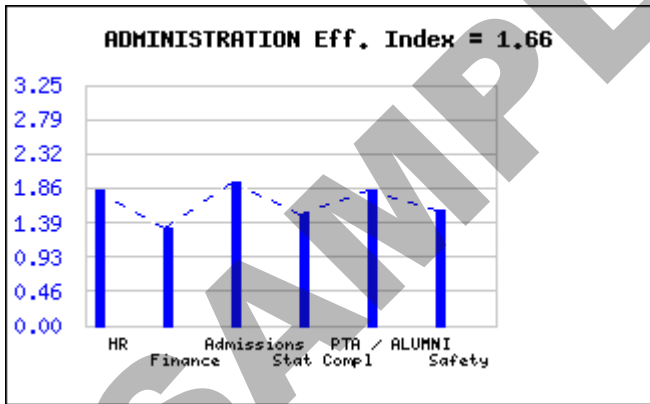

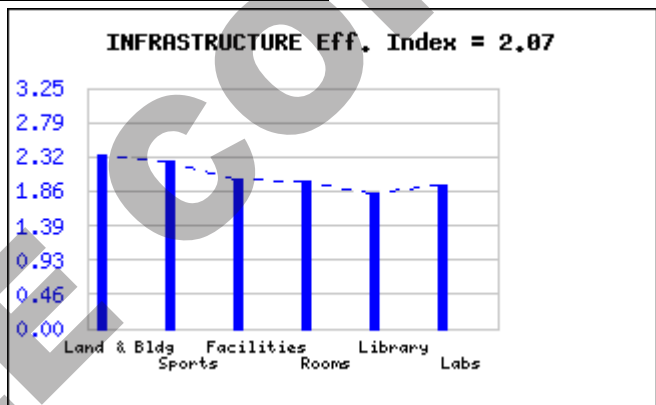

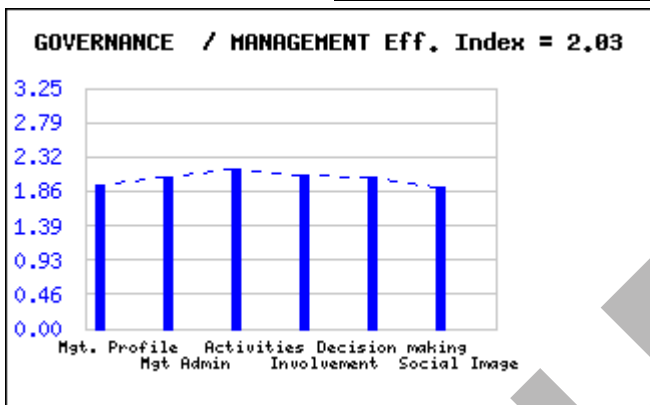

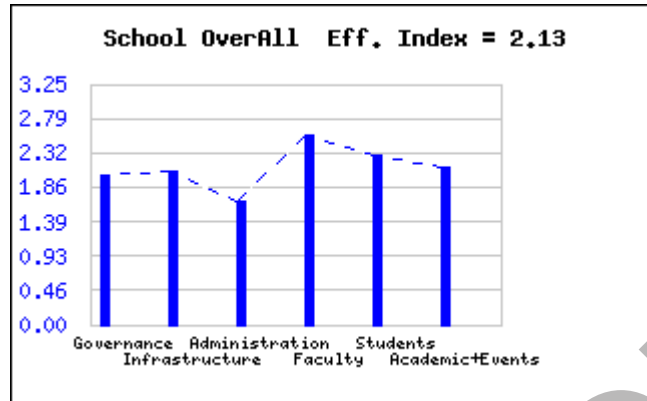

The enclosed report gives you a detailed and scientific analysis of various issues and includes a Road Map format. It also highlights the areas wherein additional attention is required and the same should be incorporated in your plans. Kindly fill up the form and send to us for further monitoring and review online.

Thank you once again for participation in the accreditation program of BJS-EDUQIP.

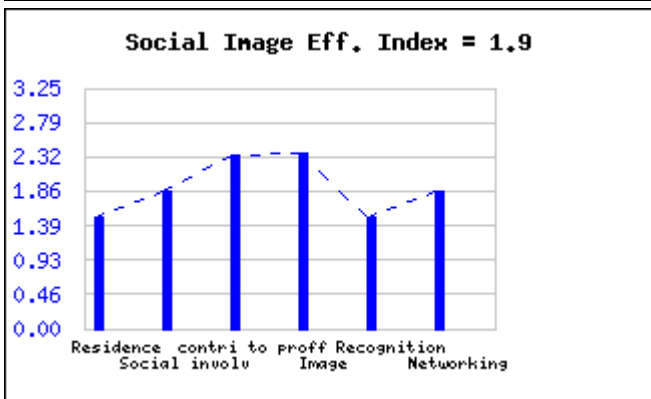

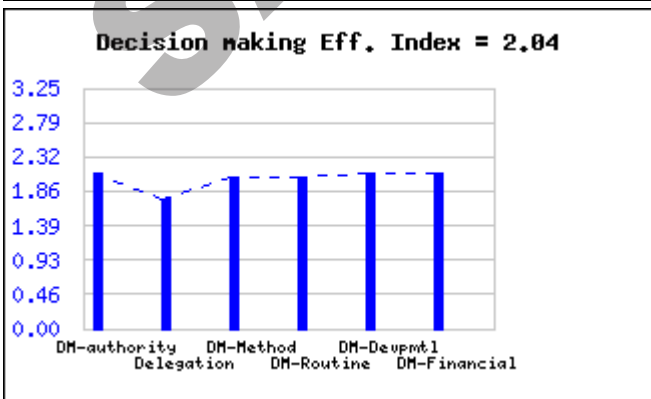

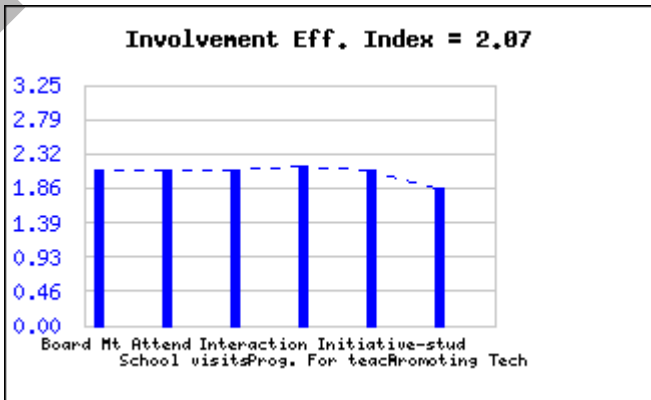

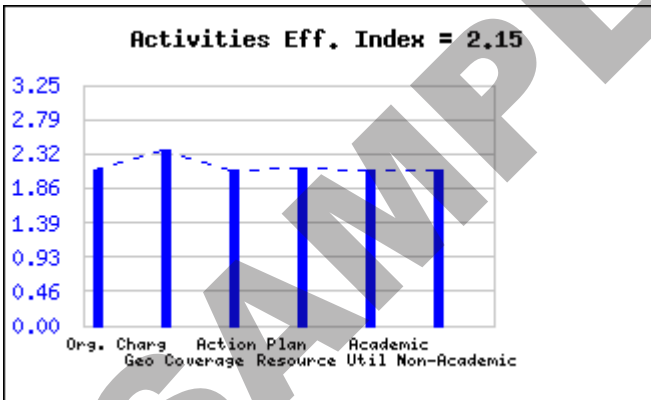

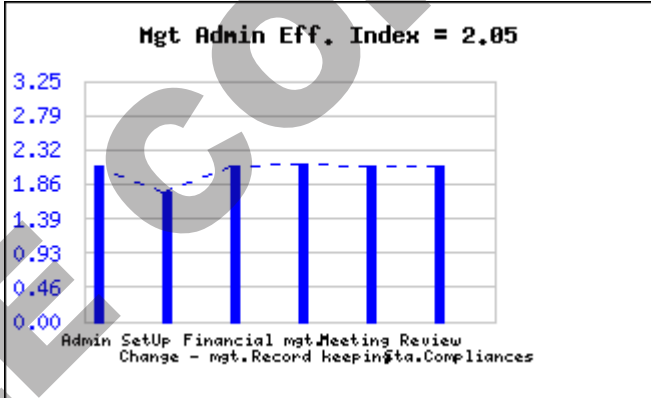

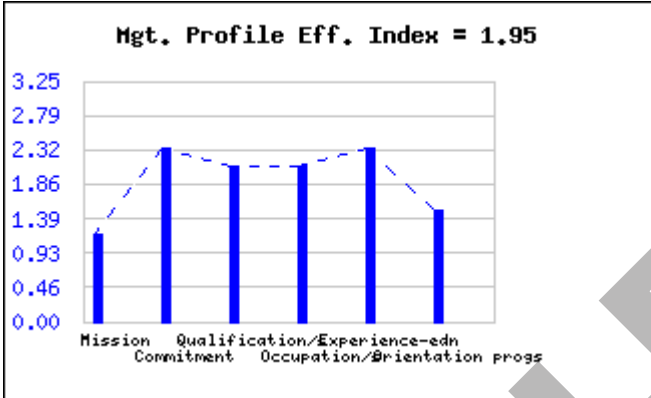

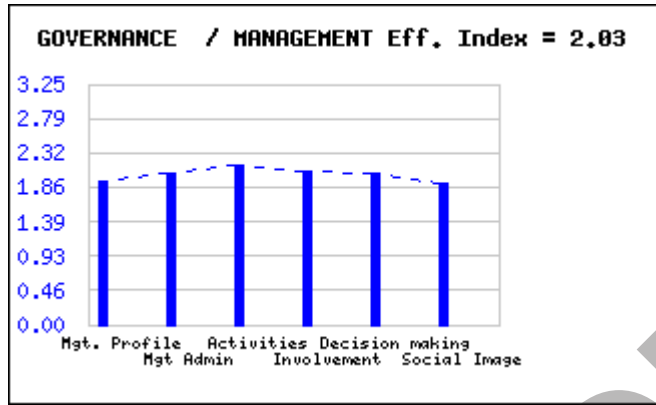

Sincerely,

  
**Prafulla Parakh**
